4.2.1 Library is automated with digital facilities using Integrated Library management System (ILMS), adequate subscription to e-resources and journals are made. The library is optimally used by the faculty and students.

e-Granthalaya Software Details

...e-Granthalaya is a Digital Platform developed by **National Informatics Centre**, Ministry of Electronics and Information Technology, Government of India for Government Libraries. Under the platform, NIC provides a complete ICT solution with integrated Library Management Software, Digital Library Module, Cloud hosting environment and a Library Portal (OPAC) with NICS I empaneled Roll-out Services support. e-Granthalaya is useful to transform traditional libraries to e-Library with Digital Library Services which includes, automation of in-house activities of libraries, digital library integration, and to provide various online member services using Single Window Access System. Latest version of e-Granthalaya i.e. Ver.3.0 is a 'Cloud Ready Application' and provides a Web-based solution in enterprise mode with a centralized database for cluster of libraries. The ICT solution is well compliance with International standards prevalent in Libraries with use of latest ICT technology and Cloud hosting. e-Granthalaya 4.0 uses PostgreSQL - an Open Source DBMS as back-end database solution and is made available in NIC National Cloud (Meghraj) for Government Libraries on request basis with hosting of application and databases for online access.
