IQAC of our Institute strives for overall development of the students studying into the college. Various initiatives are taken by the IQAC so that the quality is improved.

1. Teaching and Learning process is facilitated by the use of ICT. IQAC suggested teachers of the institute to use ICT tools for effective delivery of the contents of curriculum. Many teachers use PowerPoint Presentations, audio visual approach during lectures, which found very effective in delivery of curriculum contents. The use of ICT found very effective during the period of Covid-19 pandemic also.
2. To cater the needs of modernization and to develop the knowledge of students on untouched topics, the institute has started the "Certificate course on Yoga" in the year 2019-20. It helped students to get the knowledge of Yoga, the ancient system of India. It can help students to live healthy, stress free life.
